

The American Society of São Paulo's Youth Sports Program

for boys & girls between the ages of 5 & 13

Registration starts Feb 18th

@ Chapel School from 9am until 12pm

For over 60 years, the American Society of São Paulo has invited the local community to participate in their Youth Sports Program (YSP), which is comprised of sports training and competitive games for children between the ages of 5 and 13 on two Saturday mornings per month. Our sessions start at 9am and end at 12 noon.

We have multiple coaches conducting each of our training sessions and assisting with our games. To recognize our children's sporting achievements, we hold an awards ceremony twice a year just before each school break.

Our children come from many different schools and backgrounds, and our coaches are mainly volunteer parents of our children; English is the primary language spoken. We welcome all interested parents and children, not only AmSoc members or families from the USA. Parents may register their child in our program at any time during the year.
