To our fellow students, parents, and teachers,

Easter is right around the corner and you know what that means! It is time to help the orphanage Lar Tia Edna with our annual food drive. Don’t think of it as a burden that repeats itself every year or a tradition the school has established – **we help the orphanage because we want to give back to others what God has given us.**

The leaders and volunteers at the orphanage sacrificed more than you could ever imagine to save the lives of less fortunate kids. This is our chance to bless and be blessed. By giving the orphanage a little of what you have, you are not only helping them, but **you are also bringing happiness to their days, hope to their dreams, and peace to their lives.**

To make our gift to the orphanage more useful, we requested that the orphanage send us a list of items (food, cleaning, and everyday necessities) along with how much they use of the main items per month. We then set out to create a list of prices for each product. Using these lists we tried to equally divide the monetary amount each class is challenged to donate.

The plan for this year is to split the products up amongst the classes, and each class would bring a certain amount of a certain product. Some classes may bring more products than others, but that is because the products they are asked to bring are less expensive.

We look forward to all your help and participation. **Thank you for joining us in this exciting school wide event.**

Sincerely,

Robin Rugg  
Superintendent

StuCo President 2012-13

P.S. Students are welcome to bring more money or bring in any items that are convenient. Do this out of the goodness of your heart!

### High School

Cash donations proved to be more effective for high school, thus we would like to use the same system. We ask that each student bring R\$20,00. Please remember that the cost is divided equally among all PACA students, so High School students are not giving more. We will give this money directly to the orphanage so that they can buy perishable items. Please give the money to the vice president of your class!
