# Students Reveal: The New Classrooms are Bigger!

PACA Announces Project to Design 21st Century Classrooms

O foco este ano é um projeto de reformar quatro salas de aula e os dois banheiros na ala do Ensino Fundamental I. É um projeto de reforma que melhorará o aprendizado de nossos alunos com iluminação sustentável, mais conforto térmico e melhoria na acústica de cada ambiente.

**Os alunos percorreram um total de 4.593 voltas, que equivale a 1.470 quilômetros!**

Por favor, enviar os formulários do Walkathon para a escola junto com as doações de seus amigos e familiares até o dia 15 de novembro de 2019.

Agradecemos os seu apoio!

Sinceramente,

Kevin Flurry  
Director of Development
