PANA
WALKATHON

O foco este ano é um projeto de reformar nossas seis salas de aula e os quatro banheiros na ala do Ensino Fundamental I. É um projeto de reforma que melhorará o aprendizado de nossos alunos com iluminação sustentável, mais conforto térmico e melhoria na acústica de cada ambiente.

Por causa da chuva, cada turma caminhou em volta da quadra coberta por 50 minutos. Convertemos as voltas na quadra no que seria equivalente ao campo de futebol. Os alunos percorreram um total de 4.327 voltas, que equivale a 1.352 quilômetros!

Por favor, enviar os formulários do Walkathon para a escola junto com as doações de seus amigos e familiares até o dia 12 de novembro de 2018.

Agradecemos os seu apoio!

Sinceramente,

Kevin Flurry

Director of Development
